

SHEEKHA MAHAPATRO

UX/UI Designer | Frontend Developer

+91 8700650140 | sheekhamahapatro.sm@gmail.com | [LinkedIn](#) | [GitHub](#)

SUMMARY

UX/UI Designer and Frontend Developer with hands-on experience delivering intuitive, accessible digital products. Skilled in end-to-end design workflows — from wireframing and prototyping in Figma to pixel-accurate implementation using React.js and Angular. Adept at cross-functional collaboration in agile environments, translating business needs into seamless user experiences.

SKILLS

Design: Figma, Adobe Illustrator, Photoshop, Adobe XD, Wireframing, Prototyping, UX Research, Interaction Design, Design Systems, Accessibility (ARIA)

Frontend: React.js, Next.js, Angular, TypeScript, JavaScript (ES6+), HTML5, CSS3, Tailwind CSS, Bootstrap, REST APIs

Tools: Git, GitHub, Netlify, Postman, VS Code, cPanel

Soft Skills: Agile Methodology, Cross-functional Collaboration, Problem Solving, Attention to Detail, Time Management

EXPERIENCE

UX/UI Designer & Junior Developer | [Softlabs Infotech Pvt. Ltd.](#)

Dec 2025 – Present | Noida

- Created accessible, device-agnostic UI features using React.js and Next.js with pixel-accurate design implementation.
- Connected frontend interfaces to REST APIs, maintaining visual consistency across data states, loading flows, and error handling.
- Conducted UI/UX reviews to identify usability issues, improving visual consistency and overall user experience across browsers.

Freelance UX/UI Developer | [KDD Educations](#)

Jan 2025 – Dec 2025 | Remote

- Expanded scalable frontend and backend features using Angular, TypeScript, and PostgreSQL with a focus on clean UX flows.
- Improved form validation and error handling workflows, significantly reducing user friction and support tickets.
- Enhanced API responses and database interactions to support high traffic, boosting responsiveness and scalability.

Freelance UI Developer | [Self-Employed](#)

Aug 2024 – Dec 2025 | Remote

- Converted Figma mockups into pixel perfect React components using Tailwind CSS, delivering polished UIs for multiple clients.
- Merged third-party services including Google Maps and authentication tools to expand product capabilities.
- Managed deployments via Netlify, GitHub Pages, and cPanel for stable and reliable production releases.

UX/UI & Web Development Intern | [Orionix Systems Pvt. Ltd.](#)

Jan 2024 – Jul 2024 | Noida

- Authored UX wireframes and interactive prototypes for key features, collaborating closely with designers and engineers.
- Implemented cross-browser web pages using HTML, CSS, JavaScript, and jQuery maintaining visual consistency across platforms.
- Assisted with backend tasks using Python and contributed to UI/UX improvements aligned with user-centered design principles.

PROJECTS

Her-Shield – Women's Safety & SOS App

Sep 2024 – Dec 2024

- Streamlined UX flows reducing SOS activation from 3 steps to 1, achieving a measurable improvement in emergency usability.
- Shipped a fast-access emergency interface in HTML/CSS/JavaScript with a secure PHP/MySQL backend for profile and alert handling.
- Implemented custom JavaScript utilities for UI state management without relying on external libraries.

Hunger Zero – Food Sharing Platform

Feb 2025 – Apr 2025

- Planned and launched a peer-to-peer food sharing platform connecting donors with recipients using PHP and MySQL.
- Built intuitive frontend screens for browsing and posting food availability with location-based filtering.
- Handled end-to-end data flow between frontend and backend using REST-style request handling.

Git-Fetch App

May 2023

- Constructed a GitHub user search tool in React, leveraging the GitHub API to fetch and present user profiles with full accessibility.
- Optimized rendering and API requests using React. Memo and lazy loading to improve performance and reduce load time.
- Implemented semantic HTML, ARIA roles, and keyboard navigation for full accessibility compliance.

EDUCATION

MCA (Hons.) – Computer Science

Lovely Professional University | 2022 – 2024 | GPA: 8.24/10

BCA (Hons.) – Web Development

Lovely Professional University | 2019 – 2022 | GPA: 8.25/10
